

Declaration of RoHS and WEEE Compliance

According to our current knowledge and confirmations of our suppliers, our products delivered to you do not contain any substances whose placing on the market is prohibited according to Directive 2015/863/EC (RoHS III) and including its extension 2017/2102/EC. They also do not require a separate take-back according to WEEE Directive.

We trust this information meets your expectations. Should you have additional questions please don't hesitate to contact us.

Burg, 26 October 2023
