

Confirmation of Regulation California Proposition 65 (CP65)

According to our current knowledge and confirmations of our suppliers, our products delivered to you do not contain any substances whose placing on the market is prohibited by the California "Safe Drinking Water and Toxic Enforcement Act"¹ as of August 11, 2023, published in the "California Health & Safety Code Section 25249.6" - also known as California Proposition 65 or "CP65" for short.

We trust this information meets your expectations. Should you have additional questions please don't hesitate to contact us.

Burg, 26 October 2023
